

KINGS FOOD S.A.
Suppliers of quality Spanish food and wine

Kings Food S.A. have been a leading food distributor in Spain since 1970. In today's market it is the leading food service company in Spain importing frozen products from the majority of its European neighbours for distribution throughout Spain.

In 2004 we decided to open Kings Food export service under the banner of Very Good Fandango. We now supply a number distributors and wholesalers in the UK and are a leading supplier of chorizo and serrano ham. Our aim is to set up our own distribution, based near Henley on Thames, to provide premium Spanish products, wine and cava direct to clients in the Thames Valley.
